Dear Shanklin Sailing Club Committee,

Push The Boat Out Event – Saturday, 21 July 2012

As you know, the RYA are organising a large event called "Push the Boat Out" on Saturday, 21 July 2012 to mark the start of the Olympic Games. At Yaverland we feel it is very important to get as many boats out on the water as possible to promote both the start of the Games as well as sailing on the Island.

If you are not already arranging your own Event we would like to invite you to sail round to Yaverland, join us for a barbeque and then sail back again. We were planning to have the barbeque at lunch time to give you time to sail to us and then sail back again but unfortunately, high tide is at 2pm. Please could you contact us to say whether you would like to sail round to us and also whether you think there would be a problem with the tide?

If you are arranging an event and you would like us to promote it on our website just let us know.

We look forward to hearing from you shortly.

Yours Faithfully,

Yaverland Sailing and Boating Club Committee
